## KS1 SPRING 1 HOMEWORK GRID

Please read your reading book 3x a week!

Use your imagination to come up with a magical fairy story character. It could be a fairy, an elf, a gnome, a goblin or anything else you can think of.

Draw a detailed picture of your character; give them a name and colour them in! Next, can you write a character description? Think about their appearance, personality traits and any strange or unusual habits they might have!

We are learning all about plants in science this half term. I wonder what plants there are in your garden? Or in your grandparent's garden? Can you draw a picture and label the plants that you can see?

**MISSION:** Can you learn how to read and write these 4 tricky words before half term?
